Weekly and Collectables Auction

Brettells hold a weekly sale every Tuesday starting at 10am. These sales usually comprising some 400 lots contain Victorian, Edwardian and later furniture, ceramics and glass, pictures and prints, metalware, silver and silver plate, rugs and carpets, collectables and garden and workshop tools. Catalogues are available off their website www.brettells.com on the Saturday prior to the sale.

Brettells offer a **house clearance service** with a free pre-sale appraisal.

Brettells accept entries for their weekly sales every Wednesday, Thursday and Friday between 9am-5pm.

Antique and Fine Art Auction

Brettells hold their Antique and Fine Art auctions every two months. As well as sourcing lots from private vendors, choice items from house clearances are kept for entry in the more specialist sale. Each item is researched, valued and photographed for cataloguing.

Brettells online catalogue is available to download off their website www.brettells.com as well as off the-saleroom.com. Brettells offer a LIVE Bidding facility at these sales to offer a full pivotal national and international profile.

Valuation Services

Brettells offer a free valuation service of items brought into the saleroom by appointment and a home visit valuation is also available with no obligation to sell.

Brettells provide valuations for sale by auction, insurance, family division and Inheritance Tax purposes.
