## Weekly General and Collectables Auction

**Brettells** hold a weekly sale every Tuesday starting at 10am. These sales usually comprising some 400 lots contain Victorian, Edwardian and later furniture, ceramics and glass, pictures and prints, metalware, silver and silver plate, rugs and carpets, collectables and garden and workshop tools.

In conjunction with the General Sales we also offer Specialist Sales (please see calendar) encompassing Musical Instruments, Toys and Militaria.

Catalogues are available at [www.brettells.com](http://www.brettells.com) on the Saturday prior to the sale.

Brettells offer a Live On-line Bidding facility for all General and Specialist sales.

Brettells accept entries for their weekly sales every Wednesday, Thursday and Friday between 9am-5pm.

## Antiques and Collectables Auction

**Brettells** hold five Antiques and Collectables sales over the course of the year (please see calendar for dates). As well as sourcing lots from private vendors, choice items from house clearances are kept for entry in these more specialist sales. Each item is researched, valued and photographed for cataloguing.

Brettells Antiques and Collectables catalogue is available at [www.brettells.com](http://www.brettells.com) and [www.the-saleroom.com](http://www.the-saleroom.com) a week and three days before the auction date. Brettells offer a live bidding facility at these sales so your items can be seen and purchased from anywhere around the globe, for the best prices possible.

## Valuation Services

**Brettells** provide formal valuations for inheritance tax, family division and insurance. Also, free no obligation valuations are available for items to be offered by auction. These can be arranged at the saleroom or a home visit by appointment.

Brettells also offer a house clearance service with free pre-sale appraisal.
